Instructions for Character References

- Applicants will need to request two non-family members, who can speak to their character, to each complete a character reference form on their behalf. The non-family members should hold some leadership position in their church or home group. At least one of the references should come from a woman.
- The reference providers must complete each form in its entirety.
- The reference providers must then mail each form in a sealed envelope marked “confidential” to:

Midwifery Institute of America
